Off to a flying start to 2025!!

I am pleased to announce we are almost full in all our Gymnastics Classes after just 10 weeks of operating at our new home. Thanks to all the positive promotion from The Victoria Club & families of our gymnasts. So this has made me think we may need another evening per week to house our ever growing club & interest. I am currently investigating and would like to put on another 2 classes & a ladies fitness group (Times & Day tbc)

We are also teaming up with Tor Printing in Glastonbury who will now be supplying pour Bounce & Flex Merchandise very shortly this link will go live for you to order (a text will be sent out to inform you when ready).

Please visit www.torprinting.co.uk/gallery/printed-clothing to make your purchase for collection or home delivery. (Purchase of clothing is optional)

I would also highly recommend purchasing gymnastics shoes from Carita House. Long lasting and durable. This will help gymnasts to grip on equipment & our floor.
